GITAM University, Visakhapatnam
CGPA : 7.5

PROJECTS

Question Bank Web App
A web-based application that allows users to perform CRUD operations on a question bank using Spring Boot, React, and MySQL.

To-Do List App
Built a Todo List web app with HTML/CSS/JS that saves tasks locally, ensuring data persistence even after page refresh.

Landing Page (Frontend)
Designed and developed a responsive blog website frontend using React and Tailwind CSS.

Employee Management System (Java)
Console-based project using Core Java OOPs concepts and File Handling to manage employee data.

CERTIFICATIONS & COURSES

- Full Stack Java Developer Course – Naresh i Technologies

LEADERSHIP & EXTRA-CURRICULAR

- Volunteered in campus tech fests and coding events at GITAM University.
